Bob Rankin joins Total Construction Rentals as V.P. of Operations

We are pleased to announce that Bob Rankin has joined our team as V.P. of Operations! Bob has worked with most of our clients for well over a decade. He has been instrumental in the successful design and implementation of thousands of temporary heating, cooling, and dehumidification projects. Bob has and will continue to provide solid guidance to our clients with all types and sizes of climate control projects.

Rest assured that if you've worked with Bob in the past, he will continue to be your first and best source of climate control expertise. If you haven't worked with Bob previously, you can be certain that you'll receive excellent guidance that will keep your projects on schedule and within budget.

Bob's responsibilities for 2015-2016 will be to manage our sales team as well as handle temporary climate control for PA and DE.

Total Construction Rentals and Bob Rankin look forward to working with you and your company! Bob's contact information can be found below.

As always, you and your company are **very important so whatever you need—consider it done!**

Sincerely,
